

### Building Automation Systems

- ✓ Turnkey Installation of Direct Digital Control Systems (DDC)
- ✓ Full Building Integration – HVAC, Security, Lighting and Life Safety
- ✓ Integration of Multiple Protocols including BACnet, LonWorks, N2, Modbus and Obix
- ✓ Web Access/Interfaces including Internet, PDA's, Blackberry's, I-Phones
- ✓ Lighting – Control Systems, Fixture Upgrades, Occupancy Control

### Security – Analog & IP

- ✓ Video Solutions – Cameras and Recorders
- ✓ Access Control – Doors/Card Readers, Visitor Management
- ✓ Intercom Systems – Audio and Visual
- ✓ Wireless Networks – Ethernet and Proprietary
- ✓ Web Access/Interfaces including Internet, PDA's, Blackberry's, I-Phones
- ✓ Alarm Systems

### Energy Services

- ✓ Comprehensive Building Energy Solutions
- ✓ Audit, Implement Energy Conservation Measures, Measure and Verify
- ✓ Continuous Commissioning / Retro-Commissioning
- ✓ Energy Information Systems (EIS) – Manage usage, Analyze rates, Reduce costs
- ✓ Utility Rebate Procurement and Project Financing
- ✓ Scaled Building Energy Solutions – High Return, Low Cost Conservation Measures
- ✓ Variable Frequency Drive (VFD) Retrofits

### Services & Support

- ✓ Training – All BCM Installed Systems
- ✓ 24/7 Support – Software, Hardware and Monitoring
- ✓ Service Agreements – Extended Warranty, Preventative Maintenance and Customized Service Solutions
- ✓ Small Building Solutions – BAS and Security
- ✓ Software Updates, Upgrades and Revisions
- ✓ System Optimization and Enhancements
